

Community Health Centers of Greater Dayton

Physician

Searching for rewarding practice with a strong dedication to quality healthcare? Community Health Centers of Greater Dayton (CHCGD) is searching for a board certified Family Practice physician to provide primary care outpatient services. We have a full time position available due to the retirement of a provider who left a well established patient base.

CHCGD operates three locations and provides over 23,000 patient visits per year. The successful candidate will join three other physicians at one of our busier sites. We offer a competitive salary with very good benefits. Loan repayment is also available to those who qualify.

Our mission is to improve the health of the underserved communities in Dayton and the surrounding area by providing preventive and primary health care services to patients regardless of ability to pay.

Please indicate your interest by submitting your CV to ghopkins@chcgd.org.
