

Dayton RTA Offers \$5 Essential Ride Service

The Greater Dayton Regional Transit Authority (RTA) expanded its door-to-door ride service last fall through a grant from the Miami Valley Regional Planning Commission. The program is available to all older adults age 65+ and individuals living with disabilities, offering door-to-door service for essential trips such as to medical appointments, the pharmacy and grocery store. Customers *do not* have to be certified for RTA Connect paratransit service. This service is offered **8am-5pm Monday through Friday at \$5 per one-way trip, per person.** (\$5 to the destination, and \$5 back to home). Call **937-425-8300** to book a trip. Trips should be scheduled at least **3 days in advance,** and are on a **space-available basis.**
